## TO WHOM IT MAY CONCERN

It is the matter of great pleasure for me to recommend **Mr. Lekhnath Khatri** scholarship to your undergraduate school. I know **Mr. Khatri** in the student teacher capacity. I taught him English for one year at Diploma 1 year. He was an impressive, capable and decent student. His academic performance and participation during the course revealed his ability to think logically, present intellectual curiosity and critical thinking. In addition to this characteristic, he consistently demonstrated a highly developed creative.

I am impressed by his attention to every detail and his tendency to work on any thing assigned to him meticulously until he comes to a result.

Talking about my subject matter, he bears excellent command over English language with his matured ideals and confidence.

Not to forget **Mr. Khatri** participated in extra activities and possesses a good leadership quality. Furthermore, his caliber in dealing with and leading his peer group is remarkable. **Mr. Khatri** is a young versatile personality with a great deal of potential who, if given opportunity guidance to proud of. Again, I strongly recommend his admission and scholarship there.

I wish him all success in his every future endeavors

Kailpal Hospital & College would like to serve a notice we offer Diploma 1st, 2nd and 3rd year. All our subjects are instructing in English. All our classes are conducting in English medium where communication in English during college is mandatory.

Lekhnath Khatri(registration number HA-02067-017), remained with us for three year 2018-2020.

We believe in his good command and comprehension over English language.
